The VEKA UK Group

PVC-U doors offer a modern alternative which can merchandise perfectly with windows throughout a home. With 29 colours to select from you can also choose a different colour inside and outside.

PVC-U doors require only minimal maintenance and can be easily cleaned with a damp cloth. Unlike timber windows they won't rot and don't need repairing. Our doors offer all the energy efficiency of modern PVC-U with our Variations colour and woodgrain offering.

PVC-U doors offer a versatile alternative to composite doors and can be manufactured using existing product ranges from all systems in The VEKA UK Group.
